

VILLAGE OF NORTH BARRINGTON

Fall 2014

Barrington Area Council of Governments Facilitates Private Well Water Quality Testing in November

Why is it important to test the quality of my well water?

Most Barrington area residents drink groundwater that is drawn from the shallow aquifer system. The state requires **public** water supplies to be tested for a wide range of contaminants on a routine basis, but with **private** wells that serve just one or two households, there is no regulation that requires outside entities to test your well water. If you are a private well owner that means you are responsible for making sure your home's water is safe to drink.

Households with private wells are advised to have a Level I test for bacteria and nitrate on an annual basis to detect these invisible, odorless contaminants. Bacteria and nitrate can result from animal or human waste or fertilizer components reaching the well water and can cause illness in humans.

The Barrington Area Council of Governments (BACOG) partners with the Lake County Health Department to make private well water testing fast, easy and inexpensive for residents – and to help make sure everyone tests for clean water!

Pick-up Test Kits: November 11 - 13

Homeowners can pick up a Level I well water test kit with instructions at a reduced price of \$10 per test kit at the Village Hall during regular office hours between Tuesday, November 11, and Thursday, November 13. Only cash or checks are accepted. Please have exact change or make checks payable to "Lake County Health Department".

Drop-off Test Kit: ONE DAY ONLY - November 18

Homeowners can **return water test kits on Tuesday, November 18, between 3:30 pm – 7:00 pm ONLY at The Garlands of Barrington**, 1000 Garlands Lane, Barrington. Water samples need to be tested within 24 hours of collection – that means **your water sample must be collected right before drop off on November 18**. Samples will be refrigerated and transported by BACOG to the Lake County Environmental Laboratory. The test results will be sent to homeowners within two weeks. Any homeowner with positive results for total coliform, E.coli bacteria or elevated nitrate levels will receive a phone call from the Lake County Health Department within 48 hours.

Presentation: November 18 - 6:00 pm (Topic: TBD)

Drop off your sample at 6:00 pm on November 18 at The Garlands of Barrington and stay for a presentation. The presentation topic will be announced soon. Experts from BACOG and Lake County Health Department will also be available throughout the drop-off event to answer residents' questions about wells, groundwater and water testing.

The Village of North Barrington will be selling test kits. For information on other BACOG member government locations selling test kits and additional information about Level II and Level III testing, visit www.bacog.org or call (847) 381-7871.

2014 FALL CHIPPING PROGRAM, NOVEMBER 10th

North Barrington Residents (excluding Wynstone) should place brush no larger than 4" in diameter stacked neatly at the edge of the road, with large ends out; the pile cannot exceed 8' in length by 3' in height. All items must be placed by the end of the day Sunday, November 9th. Chipping will begin on Monday, November 10th. The chipping truck will only make one pass through the Village; brush placed after Sunday, November 9th will not be picked up. If you have any questions about the program, contact Cuba Township Highway Supervisor Randy Marks at 847-381-7793.

DAYS AND HOURS BURNING PERMITTED

Landscape Burn: Landscape burns may be conducted only on the following days and during the following times: January through December any day between twelve o'clock (12:00) noon and five o'clock (5:00) P.M. but not on any national holiday that falls on those days.

Leaf Burn: Leaf burns may be conducted only on the following days and during the following times: April 1 to May 31 and October 1 to November 30: On each Thursday and Sunday between ten o'clock (10:00) A.M. and three o'clock (3:00) P.M., but not on any national holiday that falls on those days.

No fire shall be left unattended and there should be a ready source of sufficient water to extinguish the fire in the event of any emergency. Burning on any public street or right of way within the Village is prohibited and subject to fine. The Village asks that all residents do their part in promoting the health and safety of all by following Village Ordinances.

WASTE MANAGEMENT RATES INCREASE

The Consumer Price Index change for the last 12 months was 2%; new monthly rates took effect September 1st:

Description	Rate
Curb Service	\$15.41
Senior Discount Curb Service	\$13.86
Backdoor Service	\$20.54
Senior Backdoor Service	\$18.50
Seasonal Yard Waste Program	\$74.43

Residents 62 and older can take advantage of the senior discount. For more information contact Waste Management Customer Service, 800-796-7969.

FALL SIX WEEK LEAF PROGRAM

For residents who only wish to dispose of leaves in the fall, Waste Management is offering a **Six Week Leaf Program, from October 21 to November 25th**. Residents wanting to dispose of leaves only, must place one leaf sticker on each biodegradable Kraft paper bag or properly marked can (maximum 32 gallons and 50 pounds) and placed curbside for collection on the regularly scheduled pick up day. Stickers will be available for purchase through the North Barrington Village Hall and Waste Management. The cost of the stickers is \$1.00 each. For further information on the program, contact either the Village Hall or Waste Management Customer Service, 800-796-9696.

HALLOWEEN TRICK OR TREATING HOURS

3-7 PM, FRIDAY, OCTOBER 31ST

Halloween Safety Tips for Kids

- Inspect all candy before it is consumed. ● Stay away from animals you don't know.
- Trick or Treat only at well-lit houses. ● Do not enter a stranger's home.
- Consider reflective tape or striping to costumes and treat bags.
- Be accompanied by an adult. ● Use flashlights and avoid crossing yards.

PUBLIC NOTICE

Consolidated Election April 7, 2015—Petitions for Candidacy

For further information, please call the Village Clerk's Office at 847/381-6000 ext. 11 or go to the Village website at www.northbarrington.org.

2014 ROAD PROGRAM

Geske and Sons, Inc. will begin the planned road work the first part of October, and will be working throughout the month, with a finish date of October 31st. They will be working from 7:00 a.m. until 4 or 5:00 p.m. patching portions of twelve Village roads: Blanche Court, Border Lane, Essex Lane, Eton Drive, Hewes Drive, Lakeview Place, Mockingbird Lane, Cherry Hill Road, Randolph Court, Stone Marsh Lane, Thomas Drive and Timberlake Drive. Roads slated for total resurfacing include Duck Pond Lane, Hillendale Court, Honey Lake Court, North Signal Hill Road and Old Oak Road.

Notification will go out to the residences in those areas. Check the Village website for additional information.

Geske and Sons will notify homeowners a day in advance of when driveways will be inaccessible. The oil prime will be sprayed very early in the morning (2 or 3 a.m.) so as not to interfere with early morning commuters.

VOLUNTEERS NEEDED

The Village of North Barrington would not be what it is without dedicated volunteers. Currently there are open positions on the Parks & Recreation Commission as well as the Plan Commission. Meetings are typically once a month, in the evening. The Parks & Recreation Commission coordinates all the events at Eton Park. Volunteer applications can be found on the Village website, www.northbarrington.org.
