

VILLAGE OF NORTH BARRINGTON, ILLINOIS

INFORMATION FOR APPLICANTS TO THE ENVIRONMENTAL AND HEALTH COMMISSION

The Environmental and Health Commission considers requests for variances from the provisions of the Village code relating to septic systems. In these cases, the Environmental and Health Commission will submit their findings and recommendations to the Zoning Board of Appeals and/or Village Board of Trustees for final decision and necessary action.

The Environmental and Health Commission meets on the first Tuesday of each month at 7:30 p.m. at the North Barrington Village Hall.

APPLICATION REQUIREMENTS

1. Before applying for a variation, the septic system design drawing and supporting design data shall be submitted to and reviewed by the Village Health Officer. The Village Health Officer shall identify the exact variation needed.
2. Application for variation must be made in writing, stating exactly what variation is requested. This may take the form of a letter addressed to the Environmental and Health Commission.
3. Submit fifteen (15) copies of the septic system design drawing and supporting design data.
4. Submit proof that notification has been given to property owners within 250 feet.

NOTIFICATION TO PROPERTY OWNERS

Notice shall be given by the applicant to the real estate taxpayers within 250 feet of the property (excluding the width of streets) advising them of the variance requested and the time and date of the meeting of the Environmental and Health Commission when the request is to be considered. Said notice shall be given at least ten (10) days prior to the meeting.
