Attachments: Draft Annual Appropriation Ordinance for FYE 2027

Board Action Requested: Conduct a public hearing on the Fiscal Year End 2027 proposed Appropriation Ordinance.

Executive Summary: Illinois Municipal Code requires that municipalities pass an annual Appropriation Ordinance within the first quarter of the fiscal year. The Village appropriates the sums of money considered necessary to defray all necessary expenses and liabilities of the Village.

The Illinois Municipal Code requires that municipalities perform the following:

1. Conduct a public hearing prior to the adoption of the Appropriation Ordinance.
2. Make available for public inspection the latest draft of the Appropriation Ordinance prior to the adoption of the Ordinance.
3. Give notice of the public hearing by publishing a notice in the newspaper having general circulation in the community. Notice was published on July 1, 2026 in the Daily Herald.

The proposed Appropriation Ordinance sets the legal spending limit for the fiscal year. The budget that was adopted by the Village Board May 20, 2026 is an internal document used for spending control, transparency, and planning purposes. The approved budget is the basis for the Appropriation Ordinance.

The amounts listed in the Appropriation Ordinance have been inflated above the approved budget amounts in the event there are unknown or unanticipated expenses in the current fiscal year. The proposed Appropriation Ordinance provides the Village Board financial flexibility throughout the fiscal year.
