Brush Pick Up

Our next brush pick up will be starting September 28th, 2026 or all Cuba Township residents. Please have your brush out on Monday, September 28 at 7AM. We will go throughout the township and ask that you keep your brush roadside from September 28th until we pick it up. We will be done with our routes on October 9th.

The guidelines are as follows:

- The diameter of branches needs to be less than 8".
- The pile should be neatly stacked
- No wider than 10' (looking at it from the street), 4' high, and 5' deep.
- No root balls, stumps, decorative grasses, leaves or yard waste.
- If the brush pile exceeds this guideline, the remaining branches WILL NOT be picked up!
- One pile per household.

Thank you in advance for your cooperation!

Have a great day!
